home health scales

RICE LAKE'S HOME HEALTH SCALES are ideal for monitoring and maintaining your weight at home. Choose from our professional digital or dial models to meet your needs.

The **RL-440HH** features the latest digital technology in a sleek professional form. The 1.5 inch, bright LCD displays weight in pounds, kilograms or stones. The auto hold function continues to show weight value on the display, even after stepping off of the scale. Tap to turn on; it automatically switches off. Lithium battery is included.

The **RL-330 Series** includes the HHL that displays weight in pounds, and the HHD that displays in pounds and kilograms. Each steel base features a large non-slip platform and a nearly 8-inch diameter dial. The rounded form can be positioned in a corner providing easy access. Bright markers can be used for record and goal keeping.
